BRAIDING COURSE OUTLINE AND OVERVIEW

Course Hours: 50 clock hours

The braiding course consists of 50 clock hours as prescribed by the New Jersey State Board of Cosmetology and Hairstyling. The educational objective of the braiding curriculum is to provide the student with training sufficient to pass the State Board exam; to become properly licensed, and perform all duties required under such license to secure employment at an entry level. Successful completion of the above qualifies you to apply for the New Jersey State Hair Braiding license.

Your time is spent in classroom work consisting of demonstrations and hands-on practice and evaluations.

BRAIDING INSTRUCTIONAL TECHNIQUES AND METHODS

The 50-hour braiding program is provided through a sequential set of learning steps which address specific tasks necessary for State Board preparation, graduation, and job entry-level skill. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career-oriented activities. The course is presented through well-developed lesson plans that reflect the latest educational methods. Subjects are presented by means of lectures, demonstration, distance education, and student participation. Audio-visual aids, guest speakers, field trips, and other related learning methods are used in the course.
